Parents, guardian and guests.
Here are some ways you can be a leader at Gish.

Positively Preventable Parking Potholes !

Imagine Trying to leave for work, but you are late because someone has parked blocking your driveway.

Imagine Needing a handicapped parking stall, but someone is using it to "just run in for a few minutes".

Imagine Trying to go in to work but your assigned parking spot is occupied.

Imagine Trying to drive to a medical appointment, but you cannot leave your street because

people have parked and are blocking the roadway.

Imagine Being a bus driver and trying to ensure the safety of the children on the bus, but you cannot pull up to the curb because cars are parked in the bus lane.

Imagine Trying to pull away from the curb, but you cannot because someone has double parked beside you.

Let's all try to be good neighbours who are courteous to others. The five minutes you save yourself may cost someone else fifteen minutes. Take the time to walk if there are no parking spots close by. Be aware of where you leave your car and how it affects others. In the end, we all feel better!

Imagine Trying to safely cross at a crosswalk, but you cannot because a car is parked over top of it.

- DO NOT BLOCK DRIVEWAYS
- DO NOT TURN LEFT OUT OF THE PARKING LOT
- DO NOT PARK IN BUS ZONES
- CROSS ONLY AT THE CROSSWALK
